

INTERNATIONAL PARTNERSHIP & CO-PRODUCTION DECK

Opportunities for Cultural Institutions, Museums & Creative Labs

1. Co-Production Opportunities for International Partners

Baiyue invites cultural institutes, museums, universities, and festivals across the UK, Europe, Southeast Asia, Japan, and the Americas to partner with us across four collaborative tracks:

- **Track A: Curatorial & Museum Exhibitions:** Co-developing digital listening rooms, 3D artifact projections, and sensory heritage spaces.
- **Track B: Bilateral Artist Residencies:** Exchanging traditional Vietnamese instrumentalists with international electronic/orchestral composers.
- **Track C: Academic Research & Symposia:** Co-hosting academic workshops on digital archiving, intangible heritage, and creative technologies in Southeast Asia.
- **Track D: Educational Dissemination:** Bringing bilingual open-access learning toolkits to secondary schools and cultural community centers.

2. Why Partner With Baiyue?

- **Established Corpus:** Over 80 open research treatises and 3,250 original audio works already completed.
- **Turnkey Cultural Content:** High-resolution visual assets, transcribed pentatonic scores, and source-referenced notes ready for curation.
- **Transparent Governance:** Indicative budget scenarios, clear ethical safeguards, and rapid delivery.
